

David Hoyle

Member of the Board of Directors, NEBRA

I have proudly served the New England bicycle racing community as a member of the NEBRA Board of Directors since 2015. I work as the Executive Director of the Connecticut Cycling Advancement Program (CCAP) and have 15 consecutive years of bicycle racing experience. Bicycle racing is evolving more rapidly than ever and I bring a portfolio of knowledge and initiatives that answer our cycling community's desire for improvement.

My involvement in cycling for the benefit of others is extensive. I am a road, cyclocross, and mountain bike racer. I have directed and managed teams that compete locally and internationally. I have promoted more than 50 races. Lastly, I am the Executive Director of the CCAP; the CCAP is spreading the culture of bicycle racing in Connecticut to thousands of new riders and it organizes racing leagues that now have the participation of more than 500 kids. The CCAP brings 30 races annually to New England, including some of the most impactful cycling events in our region in the last few years, including the 2017 USAC Cyclocross National Championships, the 2015 NRC finale at the CT Cycling Festival in Hartford, and The New Haven Grand Prix.

I ask for your vote because I want to bring New England bicycle racing together as one cohesive community. Only then will we achieve our greatest potential for all constituents. I pledge to make NEBRA work for you by increasing exposure to cycling events in our region, delivering greater recognition and celebration of our riders and community leaders, and providing more support and development pathways to our up and coming riders of all ages and genders.

Sincerely,
